SATS WEEK!

Having good attendance and punctuality is important for all children in school. The Summer 1 half term is particularly important for our Y2 and Y6 children. Our Y2 children will sit their SATs 'quizzes' sometime during May. Y6 will sit their tests between 14th and 17th May.
Please ensure your child is **in school, on time,** before and during the SATs times wherever possible.

THANK YOU FLOWERS!

We really appreciate the big effort all of our parents put in to helping our children achieve 100% attendance. As a token of our appreciation every half term we will be entering all of our parents, whose children have achieved 100% attendance, into a raffle and we will present the lucky winning parent with a beautiful bouquet of flowers to say thank you.
