

Attendance News

Welcome back to the summer term here at St. Josephs! Firstly, we would like to say a BIG well done and thank you to all pupils who have 100% attendance so far term.

Attendance Sweep

Last half term St. Josephs took part in its very first attendance sweep. We were lucky enough to be joined by a team of PCSOs and local authority educational support workers who helped us to check on any absent children by visiting their homes to discuss their attendance with their parents / carers. We hope to conduct further sweeps in the future to ensure our children attend school as much as possible.

Worth celebrating:

The school's persistent absence rate has dropped over the last year from 13.4% in 2016/17 to 9.7%

Worth getting better:

Unauthorised holidays have risen over the last year from 210 in 2016/17 compared to 251 in 2017/18.
