Monday 15th July 2019

Dear Parents and Carers,

As you know, the school was informed on Thursday afternoon last week that it would be inspected by Ofsted on Friday 12th July. Obviously during such an important and challenging process, the school must operate routinely in order to ensure that Inspectors can observe the usual teaching and learning through classroom observations in addition to gathering a wide range of other essential information. Plans for Friday were therefore postponed so that the inspection could take place and the information needed during the inspection could be gathered. As soon as the report has been validated and published, it will be made available to you.

The planned transition session for the children currently on roll at St Joseph's is now taking place in school this morning. As planned, pupils new to the school entering Reception class, will have a phased entry in September. The planned parent open session will now also take place early in September. The children's end of year reports will be sent home this evening.

Additionally, Miss Goodwin (Year 1), Mrs Jump (Year 2) and Miss Fiddler (Year 3) will be available to meet after school on Monday and Wednesday this week. They will be circulating on the playground, where the children are collected from so please do say hello and introduce yourselves.

We are proud of and value our strong parental support and partnership which we recognise as a strength of our school. Given such short notice, I wanted to thank parents and carers for their understanding and considerable support on this occasion.

Yours Sincerely

A handwritten signature in black ink that reads "N Kelly".

Mrs Natalie Kelly
Headteacher
St Joseph's School, A Catholic Voluntary Academy
