SCHOOL LOCKDOWN PRACTICE

Yesterday in school we carried out a lockdown practice. All of the children were absolutely fine and did really well!

We will carry out refresher lockdown practices regularly and will inform you when these will be.

SCHOOL TRIPS - VOLUNTARY CONTRIBUTIONS

The cost of a school trip per child is calculated based on the total cost of the coach travel and the entrance price for a venue/cost of the activity. We do try our best to keep the costs as low as possible as well as aiming to give our children a fantastic experience.

When we do not receive enough contributions to cover the costs of the trip, the loss is a direct cost to the school. The payment for a trip is a voluntary contribution, however, **if not enough contributions are received to cover the costs then the governors do reserve the right to cancel the trip.**

Please follow the link below to the school website to see a breakdown of costs for trips and activities in school.
