KEEP FIT! A healthy lifestyle means a healthy mind. A nutritious breakfast will give your child the energy they need for the rest of the day. Drinking plenty of water helps concentration too!

PARENTS WEARING FACE COVERINGS

School has made the decision following on from recent Government announcements and the rise in COVID 19 cases that from **Thursday 24th September** all parents and carers will be required to wear a face mask when on the school site for drop off and pick up. This will be added to our school risk assessment and is another precautionary measure we are taking to protect the children, staff and community at St Joseph's. Please inform school if you are exempt from wearing a face covering for medical reasons so that we are aware of this.

A MESSAGE FROM MISS MARSDEN

During such uncertain times, if your child is upset about anything in school or as a parent/carer you have any worries or concerns then please do speak to school.

You can send a private Dojo message to Miss Marsden, or make contact via the school office.

We are here to help,
Please let us know your concerns to be able to deal with any issues as quickly and effectively as possible.

**Thank you
Miss Marsden**

At Home Covid-19 Test Kits

Please see the link below for how to book a Covid-19 test
